A Statement of Mission and Vision
June 4, 2015

Mission: to lead people to Christ by developing meaningful relationships through service, worship, fellowship, and learning.

Vision: Over the next five years, Westfield Church will enhance our mission effectiveness through ongoing ministry innovation. We will seek new ways to reach out in Christ's name. Our primary areas of focus will be:

- Worship - Expand our use of technology; simplify our liturgy without losing depth and meaning; introduce a broader range of music and instrumentation.
- Family Ministry - Continue our expansion of Jr. and Sr. High ministry; initiate weekday programs for K-6; create events, activities, sports for parents and other adults.
- Senior Ministry - Expand Seniors ministry built around weekly programming.
- Outreach - maintain our existing missional ministries; respond to short term needs; identify and embrace three new long term missional initiatives.
- Adequate Space - Remodel worship and gathering spaces; add classrooms and church activity center.

We will strive to be known as a center for Christian worship, loving fellowship, personal growth, healing, and fun.
